

# MARCH 2022 – MEETING MINUTES

3/30/22

Theme: Bring a Guest!

Format: Virtual

*Chapter Leaders: Molly Augustine, Tabitha South, Linh Tran*

*Junior Chapter Leader: Anika*

Our March Meeting was our annual “Bring a Guest” and Stuttering Jeopardy meeting! Kids were able to invite guests if they wanted to. We had siblings, a grandmother, and a speech therapist in attendance, which was very special. We split into two teams - The Minecrafters, and Team Seaworld. For every question, each team was in a breakout room for ~1 minute and they discussed the answer as a team before rejoining the Zoom. There were some great discussions for harder questions, like True or False: Anyone can stop stuttering if they try hard enough. Our guest speech therapist shared a great discussion she had in her breakout room about how the answer is False, and how you can use your strategies to help become more fluent, but it will not make the stuttering go away completely. Congratulations to our winners THE MINECRAFTERS! And to our close second place, TEAM SEAWORLD!

We loved seeing everyone at our meeting and can't wait to see everyone soon.

Next meeting: Last Wednesday of the month in April: 4/27/2022

**\*\*Note:** As of right now, our meetings are still online. However, we anticipate that our May 2022 and June 2022 meetings will be in person for our fun in the sun park meetup! Stay tuned for details.
